

Garden Design

Halcyon Landscapes create practical, attractive garden designs tailored to your lifestyle. From small makeovers to full redesigns, we build gardens with structure, beauty and long-lasting function.

Bespoke Garden Design Services

Our design service includes surveys, clear layout plans, material recommendations, hard landscaping concepts, planting schemes and full installation.

Hard Landscaping Design

We plan and design patios, paths, decking, retaining walls, steps and focal features to give your garden structure and usability.

Soft Landscaping & Planting Plans

Planting schemes are created to match your style and maintenance needs. We consider soil, sunlight and seasonal interest to design beautiful, year-round planting.

Garden Styles

Modern, traditional or natural — we tailor each design with options such as water features, seating zones, pergolas, lighting and raised beds.
