

## **Water Features**

Create a standout focal point in your garden with a professionally designed and installed water feature. Halcyon Landscapes design and build ponds, waterfalls and modern water features across Bradford and West Yorkshire.

## **Bespoke Water Features**

We offer custom-built features including cascading waterfalls, rills, blade features, rock pools, wall features and self-contained designs for smaller gardens.

## **Garden Ponds**

We design and install wildlife ponds, ornamental ponds, formal ponds and koi ponds with full filtration. Every pond is correctly lined, levelled and filtered for long-term clarity and durability.

## **Designed to Suit Your Space**

We consider sunlight, shade, safety, planting, water movement and sound levels to create the perfect feature for your garden.

## **Low Maintenance Options**

Choose from self-contained reservoirs, easy-clean filtration, LED lighting, frost-proof materials and low-maintenance aquatic planting.

## **Why Choose Halcyon Landscapes?**

- Skilled installation of ponds and water features
- Designs that complement your garden
- Reliable pumps, liners and filtration
- Local expertise across West Yorkshire
- Fully insured and professional team
